

Free LOCATOR TRAINING

Pennsylvania One Call System, Inc.'s purpose is to prevent damage to underground facilities. To promote safety, we provide an efficient and effective communications network among project owners, designers, excavators, and facility owners.

Pennsylvania One Call System, Inc. will offer eighteen (18) Locator Training sessions for our member facility owners, professional locators working in the state of Pennsylvania, municipal workers and anyone associated with damage prevention.

February–April 2019

Allegheny, Cambria, Centre, Crawford, Dauphin, Delaware, Fayette, Franklin, Huntingdon, Jefferson, Lawrence, Northampton, Philadelphia, Pike, Schuylkill, Susquehanna, Tioga, and York counties.

Training Objective

The class objectives are to define a facility owner's responsibilities according to PA Act 287, as amended, determine correct notification information, discuss and understand how the color code standards work, practice the four components of a correct mark and to respond through Pennsylvania's automated response system (KARL).

Interactive Learning

Engage with the others who specialize in your field to gain knowledge of the law and the processes you are required to understand when locating underground lines in the state of Pennsylvania.

Earn Contact Hours

The Pennsylvania Department of Environmental Protection Agency (PA DEP) will award 3 contact hours to any licensed water and wastewater operator in their 3-year cycle.

Register Today!

Training starts precisely at 8:30 a.m. and ends at 11:30 a.m. A complimentary lunch will be served at noon. Pre-registration is required.
