

U.S. Vets can transition into becoming a Heavy Equipment Operator

Introduction to Heavy Construction Equipment

Open House for Veterans

Lehigh Career & Technical Institute (LCTI)

4500 Education Park Drive, Schnecksville, PA 18078

June 10, 2023 - 9:00 am to 4:00 pm

Hosted by

LICA Educational Foundation for Veterans

Professional Heavy Construction Equipment Training

Naval Veteran Jessica Patrzuk

Marine Reservist Frankie Damiano

The Foundation's goal is to establish a nationwide training program to develop a veteran workforce that will become a part of construction culture. The Foundation seeks to help address the growing need for skilled labor within the construction industry while providing opportunities for military veterans seeking good paying jobs.

Join us for an Open House at LCTI and get an introduction to operating heavy construction equipment. Experience operating a Caterpillar Equipment Simulator. Enjoy a Continental breakfast, lunch and demonstrations.
